

# Risk Analysis

Risk	Likelihood	Impact	Mitigation
Go-Kart Maintenance	High	High	Implement a proactive maintenance schedule, allocate a contingency budget for repairs, and invest in high-quality, durable go-kart equipment.
Weather Dependency	Moderate	Moderate	Diversify indoor activities to mitigate weather-related disruptions and establish clear communication channels for customers in case of sudden closures.
Accidents and Lawsuits	Moderate	High	Strictly enforce safety protocols, conduct comprehensive user briefings, invest in thorough insurance coverage, and regularly review and update safety measures.
Profit Margin Pressures	Moderate	Moderate	Regular financial assessments, stringent cost control measures, and strategic pricing adjustments can help maintain healthy profit margins.
Seasonal Fluctuations	Moderate	Moderate	Develop strategies to attract local residents during off-peak seasons, such as special promotions, events, or targeted marketing campaigns.
